Aircastle Announces New \$400 Million Unsecured Term Loan

STAMFORD, Conn., October 2, 2026-- Aircastle Limited and Subsidiaries (“Aircastle”, or “the Company”) announced today that it closed a new \$240 million unsecured term loan with the Japan Bank for International Cooperation. The loan features an additional \$160 million financed by MUFG Bank, Ltd. and Mizuho Bank, Ltd. as syndicate arrangers, along with seven additional lenders. The facility has a term of five years, and the Company plans to use the proceeds of the loan for aircraft acquisitions.

Roy Chandran, Aircastle's CFO, stated, "This financing offers highly attractive terms despite volatile macroeconomic conditions and reflects the broader access to bank financing provided by our unique ownership structure with Marubeni Corporation and Mizuho Leasing Co., Ltd. Diversified access to capital supports efficient aircraft acquisitions as we expand our portfolio of in-demand aircraft."

About Aircastle Limited

Aircastle Limited acquires, leases, and sells commercial jet aircraft to airlines throughout the world. As of May 31, 2026, Aircastle owned and managed 279 aircraft leased to 72 customers located in 43 countries.
